Colony Creek Country Club

is centrally located in the heart of South Texas in Victoria. It offers golfers a beautiful semi-private, 18-hole golf course, pool, driving range and clubhouse with a restaurant and bar. The facilities await corporate, charity or social golf outings and banquets. The newly-remodeled clubhouse and restaurant is perfect for business meetings, showers, rehearsals, dinners and family dining.

Golfing at Colony Creek is exciting. Staffed by PGA Professionals, including the greens superintendent, the course is a twenty-five year old links style semi-private golf course with beautiful mini verde dwarf tiff greens. Colony Creek is one of South Texas' premier public access golf courses. Great service in a relaxed atmosphere.

Tee times/rates can be viewed and booked online.

The Riverside Golf Course

is only 3 miles from the center of Victoria and is a municipal course, and open to the public.

The course offers 27 holes of golf that are played in three 18-hole combinations. The design for the three nines is very similar, as the holes lay out over flat terrain. The White & Red nines are the original 18 holes built in 1945. The Blue Course, added later, is considered the easiest nine and has the facility's signature hole (#5 is a 204-yd par 3 with an intimidating tee shot over water). Also, it's no guarantee to dominate the par 5s here, as each one plays over 500 yards from the back tees.

The course is open daily from 7am to dark.

The Victoria Country Club

is a family-oriented private club dedicated to serving its members and guests. Established in 1924, the Victoria Country Club has been modernized, including enhancements to the clubhouse, the golf course, the tennis courts and the pool area. The clubhouse has rooms for wedding receptions, business or social meetings, exclusive dining, casual dining, dining "al fresco" on the veranda overlooking the Championship golf course and a great bar for "before or after" dinner drinks.

As the only truly private country club in Victoria, Texas, the exquisite scenic balance between lush woodlands and the wide open sky of the golf course is surpassed only by the generosity of the kinship within the club. The Victoria Country Club offers fine amenities, but also is a place to meet new friends and strengthen ties with old friends. Members and Employee Partners invite you to explore our facilities, services, and the value offered by the Victoria Country Club.
